Packs  
Foliage

Foliage and conifer greening materials are available in 4 sizes:

**Small pack = S**, about 15x4cm or bigger (dependent from the material price)

**Normal pack = 3** pieces (foliage) oder 4 pieces (conifer greening) about 15x9cm

**Half mat = H**, about 50x31,5cm

**Great mat = G**, about 63x50cm

Packs  
Groundcover  
mats

Groundcover mats are available in 3 sizes:

**Small pack = S**, about 31,5x25cm

**Half mat = H**, about 50x31,5cm

**Great mat = G**, about 63x50cm

Packs  
Greening

Different greening materials (grass tufts and strips, agrarian land strips, horse tails, goldenrods, flowers and so on) are available in 2 sizes:

**Small pack = S**, the content is dependent from the kind of product.

**Normal pack:** the content is dependent from the kind of product.
